

Kamarupa Long-Document Study Pack

Explanation Booklet (Version C) · Profile: APSC_PRELIMS

Q1. [Q-0001] Which statement about the adoption record is correct?

Key: A — The Charter of the republic of Kamarupa was adopted on 14 March 1963.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0075 · p.9

Topic: Constitutional Framework · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0001 is often confused with KU-0002. | Difficulty: Relationship / distinction between confusable facts.

Q2. [Q-0002] The Charter of the republic of Kamarupa was adopted on ____ March 1963.

Key: B — 14

Explanation: Correct because the source records 14 here; the alternatives shift the figure or borrow a sibling value.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0075 · p.9

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q3. [Q-0003] Consider the following statements: 1. The Charter of the republic of Kamarupa was adopted on 14 March 1963. 2. In 1919, the hartal movement shut the river ports for eleven days. 3. In 1928, the civil disobedience march reached Chandrapur on foot. Which of the above is/are correct?

Key: C — 1 and 2 only

Explanation: Only the key option matches the true-statement pattern [1, 2]; the false statement carries a swapped value.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0075 · p.9 |

Chronology of the freedom movement · B-0268 · p.30 | Chronology of the freedom movement · B-0269 · p.30

Topic: Constitutional Framework · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q4. [Q-0004] Which statement about the adoption record is correct?

Key: D — The Charter was adopted in 1963.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0096 · p.12

Topic: Constitutional Framework · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0002 is often confused with KU-0005. | Difficulty: Relationship / distinction between confusable facts.

Q5. [Q-0005] The Charter was adopted in ____.

Key: A — 1963

Explanation: Correct because the source records 1963 here; the alternatives shift the figure or borrow a sibling value.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0096 · p.12

Topic: Constitutional Framework · Purpose: chronology | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q6. [Q-0006] Consider the following statements: 1. The Charter was adopted in 1963. 2. In 1936, the provincial statute granted a limited franchise. 3. In 1942, the quit dominion resolution was passed at Mornoi. Which of the above is/are correct?

Key: B — 1 and 3 only

Explanation: Only the key option matches the true-statement pattern [1, 3]; the false statement carries a swapped value.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0096 · p.12 |

Chronology of the freedom movement · B-0271 · p.30 | Chronology of the freedom movement · B-0272 · p.30

Topic: Constitutional Framework · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty:

Multiple statements require joint evaluation.

Q7. [Q-0007] Which statement about the commencement record is correct?

Key: C — The Charter commenced on 2 January 1964.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0096 · p.12

Topic: Constitutional Framework · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0003 is often confused with KU-0001. | Difficulty: Relationship / distinction between confusable facts.

Q8. [Q-0008] The Charter commenced on ____ January 1964.

Key: D — 2

Explanation: Correct because the source records 2 here; the alternatives shift the figure or borrow a sibling value.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0096 · p.12

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q9. [Q-0009] Consider the following statements: 1. The Charter commenced on 3 January 1964. 2. In 1950, the first general roll listed four lakh voters. 3. In 1955, the linguistic survey recorded nine mother tongues. Which of the above is/are correct?

Key: A — 2 and 3 only

Explanation: Only the key option matches the true-statement pattern [2, 3]; the false statement carries a swapped value.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0096 · p.12 |

Chronology of the freedom movement · B-0274 · p.30 | Chronology of the freedom movement · B-0275 · p.30

Topic: Constitutional Framework · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty:

Multiple statements require joint evaluation.

Q10. [Q-0010] On drafting, select the correct statement.

Key: B — The drafting committee was chaired by Jonali Das.

Explanation: Correct because the source records exactly this: The drafting committee was chaired by Jonali Das. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Adoption and commencement of the charter · B-0096 · p.12

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q11. [Q-0011] Match List-I with List-II. List-I: Item 1: Article 14 guarantees equality before the law.; Item 2: Article 15 bars discrimination on grounds of birth, kinship;; Item 3: Article 21 protects life and personal liberty.. List-II: A: Article 14 guarantees equality before the law.; B: Article 15 bars discrimination on grounds of birth, kinship;; C: Article 21 protects life and personal liberty.. Select the correct code.

Key: C — Item 1-A, Item 2-B, Item 3-C

Explanation: Only one code matches every recorded pairing; the others swap neighbours.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0128 · p.15 | Constitutional framework of the republic>Charter of rights in brief · B-0129 · p.15 | Constitutional framework of the republic>Charter of rights in brief · B-0130 · p.15

Topic: Constitutional Framework · Purpose: association | Cognitive: distinction | Revision: high | Misconception: Neighbouring rows of a table are often interchanged. | Difficulty: Relationship / distinction between confusable facts.

Q12. [Q-0012] On rights, select the correct statement.

Key: D — Article 14 guarantees equality before the law.

Explanation: Correct because the source records exactly this: Article 14 guarantees equality before the law. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0128 · p.15

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q13. [Q-0013] Consider the following statements: 1. Article 14 guarantees equality before the law. 2. The midnight transfer of 1947 lasted forty minutes. 3. It is not the case that the first general roll named four lakh voters across nine districts. Which of the above is/are correct?

Key: A — 1 and 2 only

Explanation: Only the key option matches the true-statement pattern [1, 2]; the false statement carries a swapped value.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0128 · p.15 | Chronology of the freedom movement · B-0278 · p.30 | Chronology of the freedom movement · B-0278 · p.30

Topic: Constitutional Framework · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q14. [Q-0014] On rights, select the correct statement.

Key: B — Article 15 bars discrimination on grounds of birth, kinship, faith, domicile or means.

Explanation: Correct because the source records exactly this: Article 15 bars discrimination on grounds of birth, kinship, faith, domicile or means. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0129 · p.15

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q15. [Q-0015] On rights, select the correct statement.

Key: C — Article 21 protects life and personal liberty.

Explanation: Correct because the source records exactly this: Article 21 protects life and personal liberty. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0130 · p.15

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q16. [Q-0016] Article 12: ____ / ____ . Select the recorded pair.

Key: D — Definition of the state; 4 clauses

Explanation: Correct because the table records exactly this pair for Article 12; the others shift a figure or borrow a neighbouring row.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q17. [Q-0017] Article 13: ____ / ____ . Select the recorded pair.

Key: A — Laws repugnant to rights; 3 clauses

Explanation: Correct because the table records exactly this pair for Article 13; the others shift a figure or borrow a neighbouring row.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q18. [Q-0018] Article 16: ____ / ____ . Select the recorded pair.

Key: B — Equality in public service; 5 clauses

Explanation: Correct because the table records exactly this pair for Article 16; the others shift a figure or borrow a neighbouring row.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q19. [Q-0019] Article 19: ____ / ____ . Select the recorded pair.

Key: C — Six basic freedoms; 6 clauses

Explanation: Correct because the table records exactly this pair for Article 19; the others shift a figure or borrow a neighbouring row.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q20. [Q-0020] Article 25: ____ / ____ . Select the recorded pair.

Key: D — Freedom of conscience; 2 clauses

Explanation: Correct because the table records exactly this pair for Article 25; the others shift a figure or borrow a neighbouring row.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q21. [Q-0021] Article 32: ____ / ____ . Select the recorded pair.

Key: A — Remedies for rights; 4 clauses

Explanation: Correct because the table records exactly this pair for Article 32; the others shift a figure or borrow a neighbouring row.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q22. [Q-0022] Article 40: ____ / ____ . Select the recorded pair.

Key: B — Village councils; 1 clause

Explanation: Correct because the table records exactly this pair for Article 40; the others shift a figure or borrow a neighbouring row.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q23. [Q-0023] Article 51: ____ / _____. Select the recorded pair.

Key: C — Promotion of peace; 1 clause

Explanation: Correct because the table records exactly this pair for Article 51; the others shift a figure or borrow a neighbouring row.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q24. [Q-0024] On remedies, select the correct statement.

Key: D — The Charter lists eight writs for the enforcement of rights.

Explanation: Correct because the source records exactly this: The Charter lists eight writs for the enforcement of rights. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0132 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q25. [Q-0025] On remedies, select the correct statement.

Key: A — The writ of habeas corpus secures release from unlawful custody.

Explanation: Correct because the source records exactly this: The writ of habeas corpus secures release from unlawful custody. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0133 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q26. [Q-0026] On remedies, select the correct statement.

Key: B — The writ of mandamus commands a public body to perform its duty.

Explanation: Correct because the source records exactly this: The writ of mandamus commands a public body to perform its duty. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0134 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q27. [Q-0027] On remedies, select the correct statement.

Key: C — The writ of prohibition restrains a lower forum from excess of jurisdiction.

Explanation: Correct because the source records exactly this: The writ of prohibition restrains a lower forum from excess of jurisdiction. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0135 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q28. [Q-0028] On remedies, select the correct statement.

Key: D — The writ of certiorari quashes orders passed with error apparent.

Explanation: Correct because the source records exactly this: The writ of certiorari quashes orders passed with error apparent. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0136 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q29. [Q-0029] On remedies, select the correct statement.

Key: A — The writ of quo warranto questions unlawful occupation of public office.

Explanation: Correct because the source records exactly this: The writ of quo warranto questions unlawful occupation of public office. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0137 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q30. [Q-0030] On remedies, select the correct statement.

Key: B — The writ of certiorari before judgment transfers a pending matter upward.

Explanation: Correct because the source records exactly this: The writ of certiorari before judgment transfers a pending matter upward. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0138 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q31. [Q-0031] On remedies, select the correct statement.

Key: C — The writ of review petition lies against orders passed without hearing.

Explanation: Correct because the source records exactly this: The writ of review petition lies against orders passed without hearing. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0139 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q32. [Q-0032] On remedies, select the correct statement.

Key: D — The writ of curative appeal lies after dismissal of a review petition.

Explanation: Correct because the source records exactly this: The writ of curative appeal lies after dismissal of a review petition. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0140 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q33. [Q-0033] On custody exception, select the correct statement.

Key: A — Preventive custody rights do not extend to persons held under a wartime detention ordinance.

Explanation: Correct because the source records exactly this: Preventive custody rights do not extend to persons held under a wartime detention ordinance. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Charter of rights in brief · B-0141 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q34. [Q-0034] Which statement about the maxims record is correct?

Key: B — The directive maxims of Part Four are not enforceable in any court.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Constitutional framework of the republic>Directive maxims and their place · B-0143 · p.16

Topic: Constitutional Framework · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0026 is often confused with KU-0004. | Difficulty: Relationship / distinction between confusable facts.

Q35. [Q-0035] On maxims, select the correct statement.

Key: C — The directive maxims of Part Four are not enforceable in any court.

Explanation: Correct because the source records exactly this: The directive maxims of Part Four are not enforceable in any court. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Directive maxims and their place · B-0143 · p.16

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q36. [Q-0036] Which statement about the maxims record is correct?

Key: D — The directive maxims of Part Four are not enforceable in any court.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Constitutional framework of the republic>Directive maxims and their place · B-0143 · p.16

Topic: Constitutional Framework · Purpose: elimination | Cognitive: distinction | Revision: high | Misconception: KU-0026 is often confused with KU-0006. | Difficulty: Relationship / distinction between confusable facts.

Q37. [Q-0037] Which statement about the maxims contrast record is correct?

Key: A — Part Three rights are enforceable while Part Four maxims are not.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Constitutional framework of the republic>Directive maxims and their place · B-0169 · p.19

Topic: Constitutional Framework · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0027 is often confused with KU-0001. | Difficulty: Relationship / distinction between confusable facts.

Q38. [Q-0038] On maxims contrast, select the correct statement.

Key: B — Part Three rights are enforceable while Part Four maxims are not.

Explanation: Correct because the source records exactly this: Part Three rights are enforceable while Part Four maxims are not. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Directive maxims and their place · B-0169 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q39. [Q-0039] Consider the following statements: 1. It is not the case that part Three rights are enforceable while Part Four maxims are not. 2. The tract of western uplands carries red sandy loam and grows groundnut. 3. The tract of southern plateaus carries laterite gravel and grows cashew. Which of the above is/are correct?

Key: C — 2 and 3 only

Explanation: Only the key option matches the true-statement pattern [2, 3]; the false statement carries a swapped value.

Source: Constitutional framework of the republic>Directive maxims and their place · B-0169 · p.19 | Climate, soils and forest cover>Soils and their crops · B-0519 · p.58 | Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Constitutional Framework · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q40. [Q-0040] Which recorded item matches this description: added the Ninth Schedule of protected land laws.?

Key: D — First Amendment

Explanation: Correct because only First Amendment matches the recorded description; the others name sibling items with different records.

Source: Constitutional framework of the republic>Amendments to the charter · B-0171 · p.19

Topic: Constitutional Framework · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0028 is often confused with KU-0033. | Difficulty: Relationship / distinction between confusable facts.

Q41. [Q-0041] The ____ (1965) added the Ninth Schedule of protected land laws.

Key: A — First Amendment

Explanation: Correct because the source names First Amendment here; the alternatives name sibling provisions.

Source: Constitutional framework of the republic>Amendments to the charter · B-0171 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q42. [Q-0042] Consider the following statements: 1. The First Amendment (1965) added the Ninth Schedule of protected land laws. 2. The tract of eastern bils carries peaty marsh and grows jute. Which of the above is/are correct?

Key: B — Both assertion and reason are correct

Explanation: The key follows the truth pattern [1, 2]; the altered reason decides it.

Source: Constitutional framework of the republic>Amendments to the charter · B-0171 · p.19 | Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Constitutional Framework · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Assertion-reason evaluation of linked facts.

Q43. [Q-0043] The ____ (1968) revised the quorum of the upper house to forty members.

Key: C — Second Amendment

Explanation: Correct because the source names Second Amendment here; the alternatives name sibling provisions.

Source: Constitutional framework of the republic>Amendments to the charter · B-0172 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q44. [Q-0044] The ____ (1971) inserted Article 16A on service tribunals.

Key: D — Third Amendment

Explanation: Correct because the source names Third Amendment here; the alternatives name sibling provisions.

Source: Constitutional framework of the republic>Amendments to the charter · B-0173 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q45. [Q-0045] The ____ (1974) curtailed appeals in revenue matters.

Key: A — Fourth Amendment

Explanation: Correct because the source names Fourth Amendment here; the alternatives name sibling provisions.

Source: Constitutional framework of the republic>Amendments to the charter · B-0174 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q46. [Q-0046] The ____ (1979) deleted the right to holdptn as a charter right.

Key: B — Fifth Amendment

Explanation: Correct because the source names Fifth Amendment here; the alternatives name sibling provisions.

Source: Constitutional framework of the republic>Amendments to the charter · B-0175 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q47. [Q-0047] The ____ (1984) lowered the voting age to eighteen years.

Key: C — Sixth Amendment

Explanation: Correct because the source names Sixth Amendment here; the alternatives name sibling provisions.

Source: Constitutional framework of the republic>Amendments to the charter · B-0176 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q48. [Q-0048] The ____ (1991) created the inter-state river board.

Key: D — Seventh Amendment

Explanation: Correct because the source names Seventh Amendment here; the alternatives name sibling provisions.

Source: Constitutional framework of the republic>Amendments to the charter · B-0177 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q49. [Q-0049] The ____ (2002) inserted Article 21A on free schooling for ages six to fourteen.

Key: A — Eighth Amendment

Explanation: Correct because the source names Eighth Amendment here; the alternatives name sibling provisions.

Source: Constitutional framework of the republic>Amendments to the charter · B-0178 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q50. [Q-0050] On charter size, select the correct statement.

Key: B — The Charter originally contained two hundred and ninety articles.

Explanation: Correct because the source records exactly this: The Charter originally contained two hundred and ninety articles. The closest alternative borrows a neighbouring figure or entity.

Source: Constitutional framework of the republic>Amendments to the charter · B-0179 · p.19

Topic: Constitutional Framework · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q51. [Q-0051] In ____, the partition proclamation divided the eastern districts.

Key: C — 1905

Explanation: Correct because the source dates this event to 1905; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0266 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q52. [Q-0052] In ____, the proclamation was annulled after six years of protest.

Key: D — 1911

Explanation: Correct because the source dates this event to 1911; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0267 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q53. [Q-0053] In ____, the hartal movement shut the river ports for eleven days.

Key: A — 1919

Explanation: Correct because the source dates this event to 1919; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0268 · p.30

Topic: Chronology · Purpose: chronology | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q54. [Q-0054] In ____, the civil disobedience march reached Chandrapur on foot.

Key: B — 1927

Explanation: Correct because the source dates this event to 1927; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0269 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q55. [Q-0055] In ____, the round table talks admitted two delegates from Kamarupa.

Key: C — 1931

Explanation: Correct because the source dates this event to 1931; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0270 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q56. [Q-0056] In ____, the provincial statute granted a limited franchise.

Key: D — 1935

Explanation: Correct because the source dates this event to 1935; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0271 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q57. [Q-0057] Which recorded item matches this description: the quit dominion resolution was passed at Mornoi.?

Key: A — 1942

Explanation: Correct because only 1942 matches the recorded description; the others name sibling items with different records.

Source: Chronology of the freedom movement · B-0272 · p.30

Topic: Chronology · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0043 is often confused with KU-0038. | Difficulty: Relationship / distinction between confusable facts.

Q58. [Q-0058] In ____, the quit dominion resolution was passed at Mornoi.

Key: B — 1942

Explanation: Correct because the source dates this event to 1942; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0272 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q59. [Q-0059] Consider the following statements: 1. In 1942, the quit dominion resolution was passed at Mornoi. 2. It is not the case that the tract of flood plains carries alluvial loam and grows paddy. 3. The tract of western uplands carries red sandy loam and grows groundnut. Which of the above is/are correct?

Key: C — 1 and 3 only

Explanation: Only the key option matches the true-statement pattern [1, 3]; the false statement carries a swapped value.

Source: Chronology of the freedom movement · B-0272 · p.30 | Climate, soils and forest cover>Soils and their crops · B-0519 · p.58 | Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Chronology · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q60. [Q-0060] Which recorded item matches this description: the dominion office transferred power at midnight.?

Key: D — 1947

Explanation: Correct because only 1947 matches the recorded description; the others name sibling items with different records.

Source: Chronology of the freedom movement · B-0273 · p.30

Topic: Chronology · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0044 is often confused with KU-0041. | Difficulty: Relationship / distinction between confusable facts.

Q61. [Q-0061] In ____, the dominion office transferred power at midnight.

Key: A — 1947

Explanation: Correct because the source dates this event to 1947; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0273 · p.30

Topic: Chronology · Purpose: chronology | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q62. [Q-0062] Consider the following statements: 1. In 1948, the dominion office transferred power at midnight. 2. The tract of central trough carries black regur and grows cotton. 3. The tract of eastern bils carries peaty marsh and grows jute. Which of the above is/are correct?

Key: B — 2 and 3 only

Explanation: Only the key option matches the true-statement pattern [2, 3]; the false statement carries a swapped value.

Source: Chronology of the freedom movement · B-0273 · p.30 | Climate, soils and forest cover>Soils and their crops · B-0519 · p.58 | Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Chronology · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q63. [Q-0063] In ____, the first general roll listed four lakh voters.

Key: C — 1950

Explanation: Correct because the source dates this event to 1950; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0274 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q64. [Q-0064] In ____, the linguistic survey recorded nine mother tongues.

Key: D — 1955

Explanation: Correct because the source dates this event to 1955; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0275 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q65. [Q-0065] In ____, the statehood commission began its sittings.

Key: A — 1960

Explanation: Correct because the source dates this event to 1960; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0276 · p.30

Topic: Chronology · Purpose: chronology | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q66. [Q-0066] Which recorded item matches this description: the republic came into being with the Charter.?

Key: B — 1963

Explanation: Correct because only 1963 matches the recorded description; the others name sibling items with different records.

Source: Chronology of the freedom movement · B-0277 · p.30

Topic: Chronology · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0048 is often confused with KU-0047. | Difficulty: Relationship / distinction between confusable facts.

Q67. [Q-0067] In ____, the republic came into being with the Charter.

Key: C — 1963

Explanation: Correct because the source dates this event to 1963; the alternatives shift the year or borrow a sibling date.

Source: Chronology of the freedom movement · B-0277 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q68. [Q-0068] Which recorded item matches this description: the republic came into being with the Charter.?

Key: D — 1963

Explanation: Correct because only 1963 matches the recorded description; the others name sibling items with different records.

Source: Chronology of the freedom movement · B-0277 · p.30

Topic: Chronology · Purpose: elimination | Cognitive: distinction | Revision: high | Misconception: KU-0048 is often confused with KU-0038. | Difficulty: Relationship / distinction between confusable facts.

Q69. [Q-0069] The midnight transfer of ____ lasted forty minutes.

Key: A — 1947

Explanation: Correct because the source records 1947 here; the alternatives shift the figure or borrow a sibling value.

Source: Chronology of the freedom movement · B-0278 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q70. [Q-0070] On roll detail, select the correct statement.

Key: B — The first general roll named four lakh voters across nine districts.

Explanation: Correct because the source records exactly this: The first general roll named four lakh voters across nine districts. The closest alternative borrows a neighbouring figure or entity.

Source: Chronology of the freedom movement · B-0278 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q71. [Q-0071] The survey of ____ recorded nine mother tongues in thirty villages.

Key: C — 1955

Explanation: Correct because the source records 1955 here; the alternatives shift the figure or borrow a sibling value.

Source: Chronology of the freedom movement · B-0278 · p.30

Topic: Chronology · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q72. [Q-0072] Which recorded item matches this description: 2900 / Barun dam?

Key: D — Meyong

Explanation: Correct because only Meyong matches the recorded description; the others name sibling items with different records.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0052 is often confused with KU-0054. | Difficulty: Relationship / distinction between confusable facts.

Q73. [Q-0073] Meyong: ____ / _____. Select the recorded pair.

Key: A — 2900; Barun dam

Explanation: Correct because the table records exactly this pair for Meyong; the others shift a figure or borrow a neighbouring row.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q74. [Q-0074] Consider the following statements: 1. The Meyong river runs 2900 kilometres and is harnessed by the Barun dam. 2. The Grain Vault Reform of 2019 was launched to build two hundred rural godowns with an outlay of one hundred and fifty crore kam. 3. The Weaver Direct Benefit of 2019 was launched to pay nine thousand looms with an outlay of sixty crore kam. Which of the above is/are correct?

Key: B — 1 and 3 only

Explanation: Only the key option matches the true-statement pattern [1, 3]; the false statement carries a swapped value.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | Economy and public finance>Flagship schemes · B-0663 · p.74 | Economy and public finance>Flagship schemes · B-0664 · p.74

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q75. [Q-0075] Match List-I with List-II. List-I: Item 1: The Sonai river runs 2840 kilometres and is harnessed by the; Item 2: The Meyong river runs 2900 kilometres and is harnessed by th; Item 3: The Tirung river runs 1210 kilometres and is harnessed by th. List-II: A: The Sonai river runs 2840 kilometres and is harnessed by the; B: The Meyong river runs 2900 kilometres and is harnessed by th; C: The Tirung river runs 1210 kilometres and is harnessed by th. Select the correct code.

Key: C — Item 1-A, Item 2-B, Item 3-C

Explanation: Only one code matches every recorded pairing; the others swap neighbours.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | River systems and surface water>The great rivers and their dams · B-0371 · p.41 | River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: association | Cognitive: distinction | Revision: high | Misconception: Neighbouring rows of a table are often interchanged. | Difficulty: Relationship / distinction between confusable facts.

Q76. [Q-0076] Sonai: ____ / _____. Select the recorded pair.

Key: D — 2840; Baruni barrage

Explanation: Correct because the table records exactly this pair for Sonai; the others shift a figure or borrow a neighbouring row.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q77. [Q-0077] Consider the following statements: 1. The Sonai river runs 2841 kilometres and is harnessed by the Baruni barrage. 2. The Milk Shed Cooperatives of 2021 was launched to federate three hundred societies with an outlay of forty five crore kam. 3. The Seed Bank Network of 2022 was launched to stock eighty native varieties with an outlay of twenty crore kam. Which of the above is/are correct?

Key: A — 2 and 3 only

Explanation: Only the key option matches the true-statement pattern [2, 3]; the false statement carries a swapped value.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | Economy and public finance>Flagship schemes · B-0666 · p.74 | Economy and public finance>Flagship schemes · B-0667 · p.74

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q78. [Q-0078] Which recorded item matches this description: 1210 / Sailung dam?

Key: B — Tirung

Explanation: Correct because only Tirung matches the recorded description; the others name sibling items with different records.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0054 is often confused with KU-0052. | Difficulty: Relationship / distinction between confusable facts.

Q79. [Q-0079] Tirung: ____ / _____. Select the recorded pair.

Key: C — 1210; Sailung dam

Explanation: Correct because the table records exactly this pair for Tirung; the others shift a figure or borrow a neighbouring row.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q80. [Q-0080] Consider the following statements: 1. The Tirung river runs 1210 kilometres and is harnessed by the Sailung dam. 2. Per capita income stood at ninety six thousand kam in the reference year. 3. The five year plan of 1967 set an outlay of four thousand crore kam. Which of the above is/are correct?

Key: D — 1 and 2 only

Explanation: Only the key option matches the true-statement pattern [1, 2]; the false statement carries a swapped value.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | Economy and public finance>Flagship schemes · B-0669 · p.74 | Economy and public finance>Flagship schemes · B-0670 · p.74

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q81. [Q-0081] Which recorded item matches this description: 980 / Kopru weir?

Key: A — Saimang

Explanation: Correct because only Saimang matches the recorded description; the others name sibling items with different records.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0055 is often confused with KU-0056. | Difficulty: Relationship / distinction between confusable facts.

Q82. [Q-0082] Saimang: ____ / _____. Select the recorded pair.

Key: B — 980; Kopru weir

Explanation: Correct because the table records exactly this pair for Saimang; the others shift a figure or borrow a neighbouring row.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q83. [Q-0083] Consider the following statements: 1. The Saimang river runs 980 kilometres and is harnessed by the Kopru weir. 2. It is not the case that growth is measured as increase divided by base, written $g = i / b$. Which of the above is/are correct?

Key: C — Assertion correct, reason incorrect

Explanation: The key follows the truth pattern [1]; the altered reason decides it.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | Economy and public finance>Flagship schemes · B-0670 · p.74

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Assertion-reason evaluation of linked facts.

Q84. [Q-0084] Which recorded item matches this description: 760 / Nongri anicut?

Key: D — Nongri

Explanation: Correct because only Nongri matches the recorded description; the others name sibling items with different records.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0056 is often confused with KU-0059. | Difficulty: Relationship / distinction between confusable facts.

Q85. [Q-0085] Nongri: ____ / _____. Select the recorded pair.

Key: A — 760; Nongri anicut

Explanation: Correct because the table records exactly this pair for Nongri; the others shift a figure or borrow a neighbouring row.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q86. [Q-0086] Which recorded item matches this description: 760 / Nongri anicut?

Key: B — Nongri

Explanation: Correct because only Nongri matches the recorded description; the others name sibling items with different records.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: elimination | Cognitive: distinction | Revision: high | Misconception: KU-0056 is often confused with KU-0053. | Difficulty: Relationship / distinction between confusable facts.

Q87. [Q-0087] Match List-I with List-II. List-I: Item 1: The Diplai river runs 640 kilometres and is harnessed by the; Item 2: The Saimang river runs 980 kilometres and is harnessed by th; Item 3: The Nongri river runs 760 kilometres and is harnessed by the. List-II: A: The Diplai river runs 640 kilometres and is harnessed by the; B: The Saimang river runs 980 kilometres and is harnessed by th; C: The Nongri river runs 760 kilometres and is harnessed by the. Select the correct code.

Key: C — Item 1-A, Item 2-B, Item 3-C

Explanation: Only one code matches every recorded pairing; the others swap neighbours.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | River systems and surface water>The great rivers and their dams · B-0371 · p.41 | River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: association | Cognitive: distinction | Revision: high | Misconception: Neighbouring rows of a table are often interchanged. | Difficulty: Relationship / distinction between confusable facts.

Q88. [Q-0088] Diplai: ____ / _____. Select the recorded pair.

Key: D — 640; Diplai gates

Explanation: Correct because the table records exactly this pair for Diplai; the others shift a figure or borrow a neighbouring row.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q89. [Q-0089] Consider the following statements: 1. The Diplai river runs 640 kilometres and is harnessed by the Diplai gates. 2. The Audit Office founded under Article 75 handles scrutiny of accounts. 3. The Language Panel founded under Article 77 handles recognition of tongues. Which of the above is/are correct?

Key: A — 1 and 2 only

Explanation: Only the key option matches the true-statement pattern [1, 2]; the false statement carries a swapped value.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | Institutions of governance>Three commissions compared · B-0799 · p.90 | Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q90. [Q-0090] Which recorded item matches this description: 520 / Mornoi bund?

Key: B — Mornoi

Explanation: Correct because only Mornoi matches the recorded description; the others name sibling items with different records.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0058 is often confused with KU-0057. | Difficulty: Relationship / distinction between confusable facts.

Q91. [Q-0091] Mornoi: ____ / _____. Select the recorded pair.

Key: C — 520; Mornoi bund

Explanation: Correct because the table records exactly this pair for Mornoi; the others shift a figure or borrow a neighbouring row.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q92. [Q-0092] Consider the following statements: 1. The Mornoi river runs 520 kilometres and is harnessed by the Mornoi bund. 2. It is not the case that the Finance Commission shares revenues while the Audit Office scrutinises spending. 3. A bill passes introduction, scrutiny, two readings, assent, and notification. Which of the above is/are correct?

Key: D — 1 and 3 only

Explanation: Only the key option matches the true-statement pattern [1, 3]; the false statement carries a swapped value.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | Institutions of governance>Three commissions compared · B-0801 · p.90 | Institutions of governance>How a bill becomes law · B-0803 · p.90

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q93. [Q-0093] Which recorded item matches this description: 410 / Umsai sluice?

Key: A — Umsai

Explanation: Correct because only Umsai matches the recorded description; the others name sibling items with different records.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0059 is often confused with KU-0053. | Difficulty: Relationship / distinction between confusable facts.

Q94. [Q-0094] Umsai: ____ / _____. Select the recorded pair.

Key: B — 410; Umsai sluice

Explanation: Correct because the table records exactly this pair for Umsai; the others shift a figure or borrow a neighbouring row.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q95. [Q-0095] Consider the following statements: 1. The Umsai river runs 411 kilometres and is harnessed by the Umsai sluice. 2. An ordinance lapses without approval within six weeks of reassembly. 3. The Sahitya Ratna of 1969 honours distinction in letters. Which of the above is/are correct?

Key: C — 2 and 3 only

Explanation: Only the key option matches the true-statement pattern [2, 3]; the false statement carries a swapped value.

Source: River systems and surface water>The great rivers and their dams · B-0371 · p.41 | Institutions of governance>How a bill becomes law · B-0810 · p.90 | Culture, awards and honours · B-0887 · p.99

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q96. [Q-0096] The following recorded items are often confused: The Meyong at 2900 kilometres is longer than the Sonai at 28; The Barun dam stores water while the Baruni barrage only div. Which statement correctly distinguishes them?

Key: D — Correct distinctions: The Meyong at 2900 kilometres is longer than the Sonai at 2840 kilometres. The Barun dam stores water while the Baruni barrage only diverts water.

Explanation: Correct because it preserves every recorded distinction; the altered options change one member each.

Source: River systems and surface water>The great rivers and their dams · B-0372 · p.41 | River systems and surface water>The great rivers and their dams · B-0373 · p.41

Topic: River Systems And Surface Water · Purpose: confusable_fact | Cognitive: distinction | Revision: high | Misconception: Members of this cluster are often interchanged. | Difficulty: Relationship / distinction between confusable facts.

Q97. [Q-0097] On meyong vs sonai, select the correct statement.

Key: A — The Meyong at 2900 kilometres is longer than the Sonai at 2840 kilometres.

Explanation: Correct because the source records exactly this: The Meyong at 2900 kilometres is longer than the Sonai at 2840 kilometres. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>The great rivers and their dams · B-0372 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q98. [Q-0098] Consider the following statements: 1. The Meyong at 2900 kilometres is longer than the Sonai at 2840 kilometres. 2. The Vigyan Bhushan of 1975 honours distinction in science. 3. The Seva Padma of 1981 honours distinction in public service. Which of the above is/are correct?

Key: B — 1 and 2 only

Explanation: Only the key option matches the true-statement pattern [1, 2]; the false statement carries a swapped value.

Source: River systems and surface water>The great rivers and their dams · B-0372 · p.41 | Culture, awards and honours · B-0889 · p.99 | Culture, awards and honours · B-0890 · p.99

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q99. [Q-0099] On barun vs baruni, select the correct statement.

Key: C — The Barun dam stores water while the Baruni barrage only diverts water.

Explanation: Correct because the source records exactly this: The Barun dam stores water while the Baruni barrage only diverts water. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>The great rivers and their dams · B-0373 · p.41

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q100. [Q-0100] Consider the following statements: 1. The Barun dam stores water while the Baruni barrage only diverts water. 2. The Khel Gaurav of 1986 honours distinction in sports. 3. The Shilpi Samman of 1990 honours distinction in crafts. Which of the above is/are correct?

Key: D — 1 and 3 only

Explanation: Only the key option matches the true-statement pattern [1, 3]; the false statement carries a swapped value.

Source: River systems and surface water>The great rivers and their dams · B-0373 · p.41 | Culture, awards and honours · B-0891 · p.99 | Culture, awards and honours · B-0892 · p.99

Topic: River Systems And Surface Water · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q101. [Q-0101] On tributaries, select the correct statement.

Key: A — The Rongli tributary runs 180 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Rongli tributary runs 180 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0405 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q102. [Q-0102] On tributaries, select the correct statement.

Key: B — The Hatola tributary runs 165 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Hatola tributary runs 165 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0406 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q103. [Q-0103] On tributaries, select the correct statement.

Key: C — The Borjhar tributary runs 150 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Borjhar tributary runs 150 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0407 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q104. [Q-0104] On tributaries, select the correct statement.

Key: D — The Simlaguri tributary runs 140 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Simlaguri tributary runs 140 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0408 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q105. [Q-0105] On tributaries, select the correct statement.

Key: A — The Borghat tributary runs 120 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Borghat tributary runs 120 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0409 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q106. [Q-0106] On tributaries, select the correct statement.

Key: B — The Nalbari tributary runs 110 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Nalbari tributary runs 110 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0410 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q107. [Q-0107] On tributaries, select the correct statement.

Key: C — The Pathsala tributary runs 95 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Pathsala tributary runs 95 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0411 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q108. [Q-0108] On tributaries, select the correct statement.

Key: D — The Tihu tributary runs 80 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Tihu tributary runs 80 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0412 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q109. [Q-0109] On tributaries, select the correct statement.

Key: A — The Boko tributary runs 60 kilometres before joining the Meyong.

Explanation: Correct because the source records exactly this: The Boko tributary runs 60 kilometres before joining the Meyong. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0413 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q110. [Q-0110] On discharge, select the correct statement.

Key: B — The Meyong carries a mean discharge of forty thousand cusecs at Chandrapur in August.

Explanation: Correct because the source records exactly this: The Meyong carries a mean discharge of forty thousand cusecs at Chandrapur in August. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0414 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q111. [Q-0111] On baruni diversion, select the correct statement.

Key: C — The Baruni barrage diverts Sonai water for the eastern canals.

Explanation: Correct because the source records exactly this: The Baruni barrage diverts Sonai water for the eastern canals. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0415 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q112. [Q-0112] On fishing exception, select the correct statement.

Key: D — Canal permits do not cover night fishing with nets.

Explanation: Correct because the source records exactly this: Canal permits do not cover night fishing with nets. The closest alternative borrows a neighbouring figure or entity.

Source: River systems and surface water>Tributaries worth naming · B-0416 · p.45

Topic: River Systems And Surface Water · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q113. [Q-0113] Alluvial loam: ____ / _____. Select the recorded pair.

Key: A — flood plains; paddy

Explanation: Correct because the table records exactly this pair for Alluvial loam; the others shift a figure or borrow a neighbouring row.

Source: Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q114. [Q-0114] Red sandy loam: ____ / _____. Select the recorded pair.

Key: B — western uplands; groundnut

Explanation: Correct because the table records exactly this pair for Red sandy loam; the others shift a figure or borrow a neighbouring row.

Source: Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q115. [Q-0115] Laterite gravel: ____ / _____. Select the recorded pair.

Key: C — southern plateaus; cashew

Explanation: Correct because the table records exactly this pair for Laterite gravel; the others shift a figure or borrow a neighbouring row.

Source: Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q116. [Q-0116] Black regur: ____ / _____. Select the recorded pair.

Key: D — central trough; cotton

Explanation: Correct because the table records exactly this pair for Black regur; the others shift a figure or borrow a neighbouring row.

Source: Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q117. [Q-0117] Peaty marsh: ____ / _____. Select the recorded pair.

Key: A — eastern bils; jute

Explanation: Correct because the table records exactly this pair for Peaty marsh; the others shift a figure or borrow a neighbouring row.

Source: Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q118. [Q-0118] Saline flats: ____ / _____. Select the recorded pair.

Key: B — coastal fringe; salt pans

Explanation: Correct because the table records exactly this pair for Saline flats; the others shift a figure or borrow a neighbouring row.

Source: Climate, soils and forest cover>Soils and their crops · B-0519 · p.58

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q119. [Q-0119] On red soil, select the correct statement.

Key: C — Red sandy loam suits groundnut.

Explanation: Correct because the source records exactly this: Red sandy loam suits groundnut. The closest alternative borrows a neighbouring figure or entity.

Source: Climate, soils and forest cover>Soils and their crops · B-0520 · p.58

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q120. [Q-0120] Which statement about the laterite contrast record is correct?

Key: D — Laterite gravel suits cashew rather than groundnut.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Climate, soils and forest cover>Soils and their crops · B-0541 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: distinction | Cognitive: distinction | Revision: medium | Misconception: KU-0081 is often confused with KU-0079. | Difficulty: Relationship / distinction between confusable facts.

Q121. [Q-0121] On laterite contrast, select the correct statement.

Key: A — Laterite gravel suits cashew rather than groundnut.

Explanation: Correct because the source records exactly this: Laterite gravel suits cashew rather than groundnut. The closest alternative borrows a neighbouring figure or entity.

Source: Climate, soils and forest cover>Soils and their crops · B-0541 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q122. [Q-0122] Applying the recorded mechanism (monsoon cause), which conclusion follows?

Key: B — Summer heating draws moist winds inland and causes the June monsoon burst.

Explanation: The mechanism as recorded yields only the key conclusion; the others reverse cause and effect.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0543 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: cause_effect | Cognitive: application | Revision: high | Difficulty: Cause-effect reasoning from the recorded mechanism.

Q123. [Q-0123] On monsoon cause, select the correct statement.

Key: C — Summer heating draws moist winds inland and causes the June monsoon burst.

Explanation: Correct because the source records exactly this: Summer heating draws moist winds inland and causes the June monsoon burst. The closest alternative borrows a neighbouring figure or entity.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0543 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q124. [Q-0124] Consider the following statements: 1. Summer heating draws moist winds inland and causes the June monsoon burst. 2. The Hornbill Week of December marks forest fraternity. Which of the above is/are correct?

Key: D — Both assertion and reason are correct

Explanation: The key follows the truth pattern [1, 2]; the altered reason decides it.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0543 · p.60 | Profile of Kamarupa state>Festivals of the calendar · B-0984 · p.109

Topic: Climate, Soils And Forest Cover · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Assertion-reason evaluation of linked facts.

Q125. [Q-0125] Applying the recorded mechanism (rain shadow), which conclusion follows?

Key: A — The southern plateaus receive less than half the rainfall of the plains.

Explanation: The mechanism as recorded yields only the key conclusion; the others reverse cause and effect.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0544 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: cause_effect | Cognitive: application | Revision: medium | Difficulty: Cause-effect reasoning from the recorded mechanism.

Q126. [Q-0126] On rain shadow, select the correct statement.

Key: B — The southern plateaus receive less than half the rainfall of the plains.

Explanation: Correct because the source records exactly this: The southern plateaus receive less than half the rainfall of the plains. The closest alternative borrows a neighbouring figure or entity.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0544 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q127. [Q-0127] Which statement about the forest cover record is correct?

Key: C — Forest cover is thirty four percent of the reporting area.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0545 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0084 is often confused with KU-0074. | Difficulty: Relationship / distinction between confusable facts.

Q128. [Q-0128] On forest cover, select the correct statement.

Key: D — Forest cover is thirty four percent of the reporting area.

Explanation: Correct because the source records exactly this: Forest cover is thirty four percent of the reporting area. The closest alternative borrows a neighbouring figure or entity.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0545 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q129. [Q-0129] Consider the following statements: 1. Forest cover is thirty four percent of the reporting area. 2. Twenty five ferries ply the state waterways. 3. It is not the case that the register counts one hundred and ten recognised landing ghats. Which of the above is/are correct?

Key: A — 1 and 2 only

Explanation: Only the key option matches the true-statement pattern [1, 2]; the false statement carries a swapped value.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0545 · p.60 | Profile of Kamarupa state>Festivals of the calendar · B-1049 · p.117 | Profile of Kamarupa state>Festivals of the calendar · B-1050 · p.117

Topic: Climate, Soils And Forest Cover · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q130. [Q-0130] Applying the recorded mechanism (variability formula), which conclusion follows?

Key: B — Rainfall variability is deviation divided by mean.

Explanation: The mechanism as recorded yields only the key conclusion; the others reverse cause and effect.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0546 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: application | Cognitive: application | Revision: medium | Difficulty: Cause-effect reasoning from the recorded mechanism.

Q131. [Q-0131] On variability formula, select the correct statement.

Key: C — Rainfall variability is deviation divided by mean.

Explanation: Correct because the source records exactly this: Rainfall variability is deviation divided by mean. The closest alternative borrows a neighbouring figure or entity.

Source: Climate, soils and forest cover>Monsoon mechanics · B-0546 · p.60

Topic: Climate, Soils And Forest Cover · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q132. [Q-0132] Which statement about the budget table record is correct?

Key: D — The budget allots 48200 crore kam to receipts from taxes, a share of 61 percent.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0086 is often confused with KU-0092. | Difficulty: Relationship / distinction between confusable facts.

Q133. [Q-0133] Receipts from taxes: ____ / _____. Select the recorded pair.

Key: A — 48200; 61

Explanation: Correct because the table records exactly this pair for Receipts from taxes; the others shift a figure or borrow a neighbouring row.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q134. [Q-0134] Consider the following statements: 1. The budget allots 48200 crore kam to receipts from taxes, a share of 61 percent. 2. The table records that Article 26 covers freedom of conscience in 2 clauses. 3. The table records that Article 32 covers remedies for rights in 4 clauses. Which of the above is/are correct?

Key: B — 1 and 3 only

Explanation: Only the key option matches the true-statement pattern [1, 3]; the false statement carries a swapped value.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74 | Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16 | Constitutional framework of the republic>Charter of rights in brief · B-0131 · p.16

Topic: Economy And Public Finance · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q135. [Q-0135] Non tax receipts: ____ / _____. Select the recorded pair.

Key: C — 9400; 12

Explanation: Correct because the table records exactly this pair for Non tax receipts; the others shift a figure or borrow a neighbouring row.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q136. [Q-0136] Grants and aid: ____ / _____. Select the recorded pair.

Key: D — 6300; 8

Explanation: Correct because the table records exactly this pair for Grants and aid; the others shift a figure or borrow a neighbouring row.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q137. [Q-0137] Which statement about the budget table record is correct?

Key: A — The budget allots 31500 crore kam to salaries and pensions, a share of 40 percent.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0089 is often confused with KU-0090. | Difficulty: Relationship / distinction between confusable facts.

Q138. [Q-0138] Salaries and pensions: ____ / _____. Select the recorded pair.

Key: B — 31500; 40

Explanation: Correct because the table records exactly this pair for Salaries and pensions; the others shift a figure or borrow a neighbouring row.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q139. [Q-0139] Consider the following statements: 1. The budget allots 31501 crore kam to salaries and pensions, a share of 40 percent. 2. The writ of habeas corpus secures release from unlawful custody. 3. The writ of mandamus commands a public body to perform its duty. Which of the above is/are correct?

Key: C — 2 and 3 only

Explanation: Only the key option matches the true-statement pattern [2, 3]; the false statement carries a swapped value.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74 | Constitutional framework of the republic>Charter of rights in brief · B-0133 · p.16 | Constitutional framework of the republic>Charter of rights in brief · B-0134 · p.16

Topic: Economy And Public Finance · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q140. [Q-0140] Interest payments: ____ / _____. Select the recorded pair.

Key: D — 11800; 15

Explanation: Correct because the table records exactly this pair for Interest payments; the others shift a figure or borrow a neighbouring row.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q141. [Q-0141] Capital works: ____ / _____. Select the recorded pair.

Key: A — 14900; 19

Explanation: Correct because the table records exactly this pair for Capital works; the others shift a figure or borrow a neighbouring row.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q142. [Q-0142] Subsidies: ____ / ____ . Select the recorded pair.

Key: B — 7100; 9

Explanation: Correct because the table records exactly this pair for Subsidies; the others shift a figure or borrow a neighbouring row.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q143. [Q-0143] Reserve and suspense: ____ / ____ . Select the recorded pair.

Key: C — 800; 1

Explanation: Correct because the table records exactly this pair for Reserve and suspense; the others shift a figure or borrow a neighbouring row.

Source: Economy and public finance>The annual budget at a glance · B-0659 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q144. [Q-0144] The ____ of 2015 was launched to plant twelve lakh saplings with an outlay of three hundred crore kam.

Key: D — Green Canopy Mission

Explanation: Correct because the source names Green Canopy Mission here; the alternatives name sibling provisions.

Source: Economy and public finance>Flagship schemes · B-0661 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q145. [Q-0145] The ____ of 2017 was launched to run forty floating schools with an outlay of ninety crore kam.

Key: A — River School Boats

Explanation: Correct because the source names River School Boats here; the alternatives name sibling provisions.

Source: Economy and public finance>Flagship schemes · B-0662 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q146. [Q-0146] The ____ of 2018 was launched to build two hundred rural godowns with an outlay of one hundred and fifty crore kam.

Key: B — Grain Vault Reform

Explanation: Correct because the source names Grain Vault Reform here; the alternatives name sibling provisions.

Source: Economy and public finance>Flagship schemes · B-0663 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q147. [Q-0147] The ____ of 2019 was launched to pay nine thousand looms with an outlay of sixty crore kam.

Key: C — Weaver Direct Benefit

Explanation: Correct because the source names Weaver Direct Benefit here; the alternatives name sibling provisions.

Source: Economy and public finance>Flagship schemes · B-0664 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q148. [Q-0148] The ____ of 2020 was launched to lay six hundred kilometres of road with an outlay of eight hundred crore kam.

Key: D — Hill Road Grid

Explanation: Correct because the source names Hill Road Grid here; the alternatives name sibling provisions.

Source: Economy and public finance>Flagship schemes · B-0665 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q149. [Q-0149] The ____ of 2021 was launched to federate three hundred societies with an outlay of forty five crore kam.

Key: A — Milk Shed Cooperatives

Explanation: Correct because the source names Milk Shed Cooperatives here; the alternatives name sibling provisions.

Source: Economy and public finance>Flagship schemes · B-0666 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q150. [Q-0150] The ____ of 2022 was launched to stock eighty native varieties with an outlay of twenty crore kam.

Key: B — Seed Bank Network

Explanation: Correct because the source names Seed Bank Network here; the alternatives name sibling provisions.

Source: Economy and public finance>Flagship schemes · B-0667 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q151. [Q-0151] The ____ of 2023 was launched to refit twenty five ferries with an outlay of one hundred crore kam.

Key: C — Ferry Modernisation

Explanation: Correct because the source names Ferry Modernisation here; the alternatives name sibling provisions.

Source: Economy and public finance>Flagship schemes · B-0668 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q152. [Q-0152] On per capita, select the correct statement.

Key: D — Per capita income stood at ninety six thousand kam in the reference year.

Explanation: Correct because the source records exactly this: Per capita income stood at ninety six thousand kam in the reference year. The closest alternative borrows a neighbouring figure or entity.

Source: Economy and public finance>Flagship schemes · B-0669 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q153. [Q-0153] The five year plan of ____ set an outlay of four thousand crore kam.

Key: A — 1966

Explanation: Correct because the source records 1966 here; the alternatives shift the figure or borrow a sibling value.

Source: Economy and public finance>Flagship schemes · B-0670 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q154. [Q-0154] On plan result, select the correct statement.

Key: B — The plan achieved a growth of three percent against a target of four percent.

Explanation: Correct because the source records exactly this: The plan achieved a growth of three percent against a target of four percent. The closest alternative borrows a neighbouring figure or entity.

Source: Economy and public finance>Flagship schemes · B-0670 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q155. [Q-0155] Applying the recorded mechanism (growth formula), which conclusion follows?

Key: C — Growth is measured as increase divided by base, written $g = i / b$.

Explanation: The mechanism as recorded yields only the key conclusion; the others reverse cause and effect.

Source: Economy and public finance>Flagship schemes · B-0670 · p.74

Topic: Economy And Public Finance · Purpose: application | Cognitive: application | Revision: medium | Difficulty: Cause-effect reasoning from the recorded mechanism.

Q156. [Q-0156] On growth formula, select the correct statement.

Key: D — Growth is measured as increase divided by base, written $g = i / b$.

Explanation: Correct because the source records exactly this: Growth is measured as increase divided by base, written $g = i / b$. The closest alternative borrows a neighbouring figure or entity.

Source: Economy and public finance>Flagship schemes · B-0670 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q157. [Q-0157] On duty exception, select the correct statement.

Key: A — Handlooms with fewer than four looms are exempt from power duty.

Explanation: Correct because the source records exactly this: Handlooms with fewer than four looms are exempt from power duty. The closest alternative borrows a neighbouring figure or entity.

Source: Economy and public finance>Flagship schemes · B-0671 · p.74

Topic: Economy And Public Finance · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q158. [Q-0158] Match List-I with List-II. List-I: Item 1: The Election Commission founded under Article 71 handles con; Item 2: The Service Commission founded under Article 72 handles recr; Item 3: The Finance Commission founded under Article 73 handles shar. List-II: A: The Election Commission founded under Article 71 handles con; B: The Service Commission founded under Article 72 handles recr; C: The Finance Commission founded under Article 73 handles shar. Select the correct code.

Key: B — Item 1-A, Item 2-B, Item 3-C

Explanation: Only one code matches every recorded pairing; the others swap neighbours.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90 | Institutions of governance>Three commissions compared · B-0799 · p.90 | Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: association | Cognitive: distinction | Revision: high | Misconception: Neighbouring rows of a table are often interchanged. | Difficulty: Relationship / distinction between confusable facts.

Q159. [Q-0159] On bodies table, select the correct statement.

Key: C — The Election Commission founded under Article 71 handles conduct of polls.

Explanation: Correct because the source records exactly this: The Election Commission founded under Article 71 handles conduct of polls. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q160. [Q-0160] Which recorded item matches this description: Article 71 / conduct of polls?

Key: D — Election Commission

Explanation: Correct because only Election Commission matches the recorded description; the others name sibling items with different records.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: elimination | Cognitive: distinction | Revision: high | Misconception: KU-0107 is often confused with KU-0111. | Difficulty: Relationship / distinction between confusable facts.

Q161. [Q-0161] On bodies table, select the correct statement.

Key: A — The Service Commission founded under Article 72 handles recruitment to posts.

Explanation: Correct because the source records exactly this: The Service Commission founded under Article 72 handles recruitment to posts. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q162. [Q-0162] Which recorded item matches this description: Article 73 / sharing of revenues?

Key: B — Finance Commission

Explanation: Correct because only Finance Commission matches the recorded description; the others name sibling items with different records.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: distinction | Cognitive: distinction | Revision: high | Misconception: KU-0109 is often confused with KU-0113. | Difficulty: Relationship / distinction between confusable facts.

Q163. [Q-0163] On bodies table, select the correct statement.

Key: C — The Finance Commission founded under Article 73 handles sharing of revenues.

Explanation: Correct because the source records exactly this: The Finance Commission founded under Article 73 handles sharing of revenues. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q164. [Q-0164] Consider the following statements: 1. The Finance Commission founded under Article 73 handles sharing of revenues. 2. The Fifth Amendment (1980) deleted the right to holdptn as a charter right. 3. The Sixth Amendment (1984) lowered the voting age to eighteen years. Which of the above is/are correct?

Key: D — 1 and 3 only

Explanation: Only the key option matches the true-statement pattern [1, 3]; the false statement carries a swapped value.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90 | Constitutional framework of the republic>Amendments to the charter · B-0175 · p.19 | Constitutional framework of the republic>Amendments to the charter · B-0176 · p.19

Topic: Institutions · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q165. [Q-0165] On bodies table, select the correct statement.

Key: A — The River Board founded under Article 74 handles adjudication of waters.

Explanation: Correct because the source records exactly this: The River Board founded under Article 74 handles adjudication of waters. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q166. [Q-0166] On bodies table, select the correct statement.

Key: B — The Audit Office founded under Article 75 handles scrutiny of accounts.

Explanation: Correct because the source records exactly this: The Audit Office founded under Article 75 handles scrutiny of accounts. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q167. [Q-0167] On bodies table, select the correct statement.

Key: C — The Language Panel founded under Article 76 handles recognition of tongues.

Explanation: Correct because the source records exactly this: The Language Panel founded under Article 76 handles recognition of tongues. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>Three commissions compared · B-0799 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q168. [Q-0168] The following recorded items are often confused: The Election Commission conducts polls while the Service Com; The Finance Commission shares revenues while the Audit Office. Which statement correctly distinguishes them?

Key: D — Correct distinctions: The Election Commission conducts polls while the Service Commission recruits to posts. The Finance Commission shares revenues while the Audit Office scrutinises spending.

Explanation: Correct because it preserves every recorded distinction; the altered options change one member each.

Source: Institutions of governance>Three commissions compared · B-0800 · p.90 | Institutions of governance>Three commissions compared · B-0801 · p.90

Topic: Institutions · Purpose: confusable_fact | Cognitive: distinction | Revision: high | Misconception: Members of this cluster are often interchanged. | Difficulty: Relationship / distinction between confusable facts.

Q169. [Q-0169] On election vs service, select the correct statement.

Key: A — The Election Commission conducts polls while the Service Commission recruits to posts.

Explanation: Correct because the source records exactly this: The Election Commission conducts polls while the Service Commission recruits to posts. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>Three commissions compared · B-0800 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q170. [Q-0170] Consider the following statements: 1. It is not the case that the Election Commission conducts polls while the Service Commission recruits to posts. 2. In 1911, the proclamation was annulled after six years of protest. 3. In 1919, the hartal movement shut the river ports for eleven days. Which of the above is/are correct?

Key: B — 2 and 3 only

Explanation: Only the key option matches the true-statement pattern [2, 3]; the false statement carries a swapped value.

Source: Institutions of governance>Three commissions compared · B-0800 · p.90 | Chronology of the freedom movement · B-0267 · p.30 | Chronology of the freedom movement · B-0268 · p.30

Topic: Institutions · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q171. [Q-0171] On finance vs audit, select the correct statement.

Key: C — The Finance Commission shares revenues while the Audit Office scrutinises spending.

Explanation: Correct because the source records exactly this: The Finance Commission shares revenues while the Audit Office scrutinises spending. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>Three commissions compared · B-0801 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q172. [Q-0172] Applying the recorded mechanism (bill process), which conclusion follows?

Key: D — A bill passes introduction, scrutiny, two readings, assent, and notification.

Explanation: The mechanism as recorded yields only the key conclusion; the others reverse cause and effect.

Source: Institutions of governance>How a bill becomes law · B-0803 · p.90

Topic: Institutions · Purpose: application | Cognitive: application | Revision: high | Difficulty: Cause-effect reasoning from the recorded mechanism.

Q173. [Q-0173] On bill process, select the correct statement.

Key: A — A bill passes introduction, scrutiny, two readings, assent, and notification.

Explanation: Correct because the source records exactly this: A bill passes introduction, scrutiny, two readings, assent, and notification. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>How a bill becomes law · B-0803 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q174. [Q-0174] Consider the following statements: 1. A bill passes introduction, scrutiny, two readings, assent, and notification. 2. In 1936, the provincial statute granted a limited franchise. Which of the above is/are correct?

Key: B — Assertion correct, reason incorrect

Explanation: The key follows the truth pattern [1]; the altered reason decides it.

Source: Institutions of governance>How a bill becomes law · B-0803 · p.90 | Chronology of the freedom movement · B-0271 · p.30

Topic: Institutions · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Assertion-reason evaluation of linked facts.

Q175. [Q-0175] On bill classes, select the correct statement.

Key: C — Bills fall into money bills, finance bills, and ordinary bills.

Explanation: Correct because the source records exactly this: Bills fall into money bills, finance bills, and ordinary bills. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>How a bill becomes law · B-0809 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q176. [Q-0176] On ordinance exception, select the correct statement.

Key: D — An ordinance lapses without approval within six weeks of reassembly.

Explanation: Correct because the source records exactly this: An ordinance lapses without approval within six weeks of reassembly. The closest alternative borrows a neighbouring figure or entity.

Source: Institutions of governance>How a bill becomes law · B-0810 · p.90

Topic: Institutions · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q177. [Q-0177] The ____ of 1969 honours distinction in letters.

Key: A — Sahitya Ratna

Explanation: Correct because the source names Sahitya Ratna here; the alternatives name sibling provisions.

Source: Culture, awards and honours · B-0887 · p.99

Topic: Culture, Awards And Honours · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q178. [Q-0178] The ____ of 1972 honours distinction in performing arts.

Key: B — Kala Shree

Explanation: Correct because the source names Kala Shree here; the alternatives name sibling provisions.

Source: Culture, awards and honours · B-0888 · p.99

Topic: Culture, Awards And Honours · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q179. [Q-0179] The ____ of 1975 honours distinction in science.

Key: C — Vigyan Bhushan

Explanation: Correct because the source names Vigyan Bhushan here; the alternatives name sibling provisions.

Source: Culture, awards and honours · B-0889 · p.99

Topic: Culture, Awards And Honours · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q180. [Q-0180] The ____ of 1980 honours distinction in public service.

Key: D — Seva Padma

Explanation: Correct because the source names Seva Padma here; the alternatives name sibling provisions.

Source: Culture, awards and honours · B-0890 · p.99

Topic: Culture, Awards And Honours · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q181. [Q-0181] The ____ of 1985 honours distinction in sports.

Key: A — Khel Gaurav

Explanation: Correct because the source names Khel Gaurav here; the alternatives name sibling provisions.

Source: Culture, awards and honours · B-0891 · p.99

Topic: Culture, Awards And Honours · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q182. [Q-0182] The ____ of 1990 honours distinction in crafts.

Key: B — Shilpi Samman

Explanation: Correct because the source names Shilpi Samman here; the alternatives name sibling provisions.

Source: Culture, awards and honours · B-0892 · p.99

Topic: Culture, Awards And Honours · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q183. [Q-0183] The ____ of 1995 honours distinction in music.

Key: C — Sangeet Mala

Explanation: Correct because the source names Sangeet Mala here; the alternatives name sibling provisions.

Source: Culture, awards and honours · B-0893 · p.99

Topic: Culture, Awards And Honours · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q184. [Q-0184] Which statement about the kala vs sangeet record is correct?

Key: D — The Kala Shree honours performing arts while the Sangeet Mala honours music alone.

Explanation: Correct because it preserves the recorded distinction; the reversed and partial options change the relation or drop its condition.

Source: Culture, awards and honours · B-0894 · p.99

Topic: Culture, Awards And Honours · Purpose: distinction | Cognitive: distinction | Revision: medium | Misconception: KU-0125 is often confused with KU-0121. | Difficulty: Relationship / distinction between confusable facts.

Q185. [Q-0185] On kala vs sangeet, select the correct statement.

Key: A — The Kala Shree honours performing arts while the Sangeet Mala honours music alone.

Explanation: Correct because the source records exactly this: The Kala Shree honours performing arts while the Sangeet Mala honours music alone. The closest alternative borrows a neighbouring figure or entity.

Source: Culture, awards and honours · B-0894 · p.99

Topic: Culture, Awards And Honours · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q186. [Q-0186] Match List-I with List-II. List-I: Item 1: The Meyong National Park notified in 1978 spans 420 square k; Item 2: The Tirung Sanctuary notified in 1981 spans 260 square kilom; Item 3: The Saimang Reserve notified in 1986 spans 180 square kilome. List-II: A: The Meyong National Park notified in 1978 spans 420 square k; B: The Tirung Sanctuary notified in 1981 spans 260 square kilom; C: The Saimang Reserve notified in 1986 spans 180 square kilome. Select the correct code.

Key: B — Item 1-A, Item 2-B, Item 3-C

Explanation: Only one code matches every recorded pairing; the others swap neighbours.

Source: Profile of Kamarupa state>Protected areas · B-0977 · p.109 | Profile of Kamarupa state>Protected areas · B-0977 · p.109 | Profile of Kamarupa state>Protected areas · B-0977 · p.109

Topic: Profile · Purpose: association | Cognitive: distinction | Revision: high | Misconception: Neighbouring rows of a table are often interchanged. | Difficulty: Relationship / distinction between confusable facts.

Q187. [Q-0187] Meyong National Park: ____ / _____. Select the recorded pair.

Key: C — 1978; 420

Explanation: Correct because the table records exactly this pair for Meyong National Park; the others shift a figure or borrow a neighbouring row.

Source: Profile of Kamarupa state>Protected areas · B-0977 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: high | Difficulty: Direct factual recall of a high-value fact.

Q188. [Q-0188] Consider the following statements: 1. The Meyong National Park notified in 1978 spans 420 square kilometres. 2. The Hatola tributary runs 166 kilometres before joining the Meyong. 3. The Borjhar tributary runs 150 kilometres before joining the Meyong. Which of the above is/are correct?

Key: D — 1 and 3 only

Explanation: Only the key option matches the true-statement pattern [1, 3]; the false statement carries a swapped value.

Source: Profile of Kamarupa state>Protected areas · B-0977 · p.109 | River systems and surface water>Tributaries worth naming · B-0406 · p.45 | River systems and surface water>Tributaries worth naming · B-0407 · p.45

Topic: Profile · Purpose: statement_evaluation | Cognitive: analysis | Revision: high | Difficulty: Multiple statements require joint evaluation.

Q189. [Q-0189] Tirung Sanctuary: ____ / _____. Select the recorded pair.

Key: A — 1981; 260

Explanation: Correct because the table records exactly this pair for Tirung Sanctuary; the others shift a figure or borrow a neighbouring row.

Source: Profile of Kamarupa state>Protected areas · B-0977 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q190. [Q-0190] Saimang Reserve: ____ / ____ . Select the recorded pair.

Key: B — 1986; 180

Explanation: Correct because the table records exactly this pair for Saimang Reserve; the others shift a figure or borrow a neighbouring row.

Source: Profile of Kamarupa state>Protected areas · B-0977 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q191. [Q-0191] Nongri Gardens: ____ / ____ . Select the recorded pair.

Key: C — 1992; 95

Explanation: Correct because the table records exactly this pair for Nongri Gardens; the others shift a figure or borrow a neighbouring row.

Source: Profile of Kamarupa state>Protected areas · B-0977 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q192. [Q-0192] Diplai Wetland: ____ / ____ . Select the recorded pair.

Key: D — 2001; 60

Explanation: Correct because the table records exactly this pair for Diplai Wetland; the others shift a figure or borrow a neighbouring row.

Source: Profile of Kamarupa state>Protected areas · B-0977 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q193. [Q-0193] On festivals, select the correct statement.

Key: A — The Bihu of spring in April marks sowing prayers.

Explanation: Correct because the source records exactly this: The Bihu of spring in April marks sowing prayers. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0979 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q194. [Q-0194] On festivals, select the correct statement.

Key: B — The Bihu of autumn in October marks harvest thanks.

Explanation: Correct because the source records exactly this: The Bihu of autumn in October marks harvest thanks. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0980 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q195. [Q-0195] On festivals, select the correct statement.

Key: C — The Boat Race of June marks river homage.

Explanation: Correct because the source records exactly this: The Boat Race of June marks river homage. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0981 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q196. [Q-0196] On festivals, select the correct statement.

Key: D — The Lamp Night of November marks ancestral remembrance.

Explanation: Correct because the source records exactly this: The Lamp Night of November marks ancestral remembrance. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0982 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q197. [Q-0197] On festivals, select the correct statement.

Key: A — The Seed Drill of July marks monsoon onset.

Explanation: Correct because the source records exactly this: The Seed Drill of July marks monsoon onset. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0983 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q198. [Q-0198] On festivals, select the correct statement.

Key: B — The Hornbill Week of December marks forest fraternity.

Explanation: Correct because the source records exactly this: The Hornbill Week of December marks forest fraternity. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0984 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q199. [Q-0199] On baruni elaboration, select the correct statement.

Key: C — The Baruni barrage diverts one hundred and twenty cusecs through the Baruni canal.

Explanation: Correct because the source records exactly this: The Baruni barrage diverts one hundred and twenty cusecs through the Baruni canal. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0985 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q200. [Q-0200] The Charter adopted in ____ commenced in 1964.

Key: D — 1963

Explanation: Correct because the source records 1963 here; the alternatives shift the figure or borrow a sibling value.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0986 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q201. [Q-0201] On charter size echo, select the correct statement.

Key: A — The original count of two hundred and ninety articles has grown past three hundred.

Explanation: Correct because the source records exactly this: The original count of two hundred and ninety articles has grown past three hundred. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0987 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q202. [Q-0202] On grazing exception, select the correct statement.

Key: B — Grazing permits do not cover the nesting months of April and May.

Explanation: Correct because the source records exactly this: Grazing permits do not cover the nesting months of April and May. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-0988 · p.109

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q203. [Q-0203] On ferry fleet, select the correct statement.

Key: C — Twenty five ferries ply the state waterways.

Explanation: Correct because the source records exactly this: Twenty five ferries ply the state waterways. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-1049 · p.117

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Q204. [Q-0204] On ghat count, select the correct statement.

Key: D — The register counts one hundred and ten recognised landing ghats.

Explanation: Correct because the source records exactly this: The register counts one hundred and ten recognised landing ghats. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-1050 · p.117

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: low | Difficulty: Direct factual recall of a high-value fact.

Q205. [Q-0205] On night halt, select the correct statement.

Key: A — Night halts are barred at all ghats save Chandrapur and Mornoi.

Explanation: Correct because the source records exactly this: Night halts are barred at all ghats save Chandrapur and Mornoi. The closest alternative borrows a neighbouring figure or entity.

Source: Profile of Kamarupa state>Festivals of the calendar · B-1051 · p.117

Topic: Profile · Purpose: direct_recall | Cognitive: recall | Revision: medium | Difficulty: Direct factual recall of a high-value fact.

Revision Sheet (high-priority)

Focus these 86 items first. Re-attempt each in a different form.

Q-0001 — Which statement about the adoption record is correct? [high]

Q-0002 — The Charter of the republic of Kamarupa was adopted on ____ March 1963. [high]

Q-0003 — Consider the following statements: 1. The Charter of the republic of Kamarupa was adopted on 14 March 1963. 2. In 1919, the hartal movement shut the river ports for eleven days. 3. In 1928, the civil disobedience march reached Chandrapur on foot. Which of the above is/are correct? [high]

Q-0004 — Which statement about the adoption record is correct? [high]

Q-0005 — The Charter was adopted in _____. [high]

Q-0006 — Consider the following statements: 1. The Charter was adopted in 1963. 2. In 1936, the provincial statute granted a limited franchise. 3. In 1942, the quit dominion resolution was passed at Mornoi. Which of the above is/are correct? [high]

Q-0007 — Which statement about the commencement record is correct? [high]

Q-0008 — The Charter commenced on ____ January 1964. [high]

Q-0009 — Consider the following statements: 1. The Charter commenced on 3 January 1964. 2. In 1950, the first general roll listed four lakh voters. 3. In 1955, the linguistic survey recorded nine mother tongues. Which of the above is/are correct? [high]

Q-0011 — Match List-I with List-II. List-I: Item 1: Article 14 guarantees equality before the law.; Item 2: Article 15 bars discrimination on grounds of birth, kinship,; Item 3: Article 21 protects life and personal liberty.. List-II: A: Article 14 guarantees equality before the law.; B: Article 15 bars discrimination on grounds of birth, kinship,; C: Article 21 protects life and personal liberty.. Select the correct code. [high]

Q-0012 — On rights, select the correct statement. [high]

Q-0013 — Consider the following statements: 1. Article 14 guarantees equality before the law. 2. The midnight transfer of 1947 lasted forty minutes. 3. It is not the case that the first general roll named four lakh voters across nine districts. Which of the above is/are correct? [high]

Q-0034 — Which statement about the maxims record is correct? [high]

Q-0035 — On maxims, select the correct statement. [high]

Q-0036 — Which statement about the maxims record is correct? [high]

Q-0037 — Which statement about the maxims contrast record is correct? [high]

Q-0038 — On maxims contrast, select the correct statement. [high]

Q-0039 — Consider the following statements: 1. It is not the case that part Three rights are enforceable while Part Four maxims are not. 2. The tract of western uplands carries red sandy loam and grows groundnut. 3. The tract of southern plateaus carries laterite gravel and grows cashew. Which of the above is/are correct? [high]

Q-0040 — Which recorded item matches this description: added the Ninth Schedule of protected land laws.? [high]

Q-0041 — The ____ (1965) added the Ninth Schedule of protected land laws. [high]

Q-0042 — Consider the following statements: 1. The First Amendment (1965) added the Ninth Schedule of protected land laws. 2. The tract of eastern bils carries peaty marsh and grows jute. Which of the above is/are correct? [high]

Q-0057 — Which recorded item matches this description: the quit dominion resolution was passed at Mornoi.? [high]

Q-0058 — In ____, the quit dominion resolution was passed at Mornoi. [high]

Q-0059 — Consider the following statements: 1. In 1942, the quit dominion resolution was passed at Mornoi. 2. It is not the case that the tract of flood plains carries alluvial loam and grows paddy. 3. The tract of western uplands carries red sandy loam and grows groundnut. Which of the above is/are correct? [high]

Q-0060 — Which recorded item matches this description: the dominion office transferred power at midnight.? [high]

Q-0061 — In ____, the dominion office transferred power at midnight. [high]

Q-0062 — Consider the following statements: 1. In 1948, the dominion office transferred power at midnight. 2. The tract of central trough carries black regur and grows cotton. 3. The tract of eastern bils carries peaty marsh and grows jute. Which of the above is/are correct? [high]

Q-0066 — Which recorded item matches this description: the republic came into being with the Charter.? [high]

Q-0067 — In ____, the republic came into being with the Charter. [high]

Q-0068 — Which recorded item matches this description: the republic came into being with the Charter.? [high]

Q-0072 — Which recorded item matches this description: 2900 / Barun dam? [high]

Q-0073 — Meyong: ____ / _____. Select the recorded pair. [high]

Q-0074 — Consider the following statements: 1. The Meyong river runs 2900 kilometres and is harnessed by the Barun dam. 2. The Grain Vault Reform of 2019 was launched to build two hundred rural godowns with an outlay of one hundred and fifty crore kam. 3. The Weaver Direct Benefit of 2019 was launched to pay nine thousand looms with an outlay of sixty crore kam. Which of the above is/are correct? [high]

Q-0075 — Match List-I with List-II. List-I: Item 1: The Sonai river runs 2840 kilometres and is harnessed by the; Item 2: The Meyong river runs 2900 kilometres and is harnessed by th; Item 3: The Tirung river runs 1210 kilometres and is harnessed by th. List-II: A: The Sonai river runs 2840 kilometres and is harnessed by the; B: The Meyong river runs 2900 kilometres and is harnessed by th; C: The Tirung river runs 1210 kilometres and is harnessed by th. Select the correct code. [high]

Q-0076 — Sonai: ____ / _____. Select the recorded pair. [high]

Q-0077 — Consider the following statements: 1. The Sonai river runs 2841 kilometres and is harnessed by the Baruni barrage. 2. The Milk Shed Cooperatives of 2021 was launched to federate three hundred societies with an outlay of forty five crore kam. 3. The Seed Bank Network of 2022 was launched to stock eighty native varieties with an outlay of twenty crore kam. Which of the above is/are correct? [high]

Q-0078 — Which recorded item matches this description: 1210 / Sailung dam? [high]

Q-0079 — Tirung: ____ / _____. Select the recorded pair. [high]

Q-0080 — Consider the following statements: 1. The Tirung river runs 1210 kilometres and is harnessed by the Sailung dam. 2. Per capita income stood at ninety six thousand kam in the reference year. 3. The five year plan of 1967 set an outlay of four thousand crore kam. Which of the above is/are correct? [high]

Q-0081 — Which recorded item matches this description: 980 / Kopru weir? [high]

Q-0082 — Saimang: ____ / _____. Select the recorded pair. [high]

Q-0083 — Consider the following statements: 1. The Saimang river runs 980 kilometres and is harnessed by the Kopru weir. 2. It is not the case that growth is measured as increase divided by base, written $g = i / b$. Which of the above is/are correct? [high]

Q-0084 — Which recorded item matches this description: 760 / Nongri anicut? [high]

Q-0085 — Nongri: ____ / _____. Select the recorded pair. [high]

Q-0086 — Which recorded item matches this description: 760 / Nongri anicut? [high]

Q-0087 — Match List-I with List-II. List-I: Item 1: The Diplai river runs 640 kilometres and is harnessed by the; Item 2: The Saimang river runs 980 kilometres and is harnessed by th; Item 3: The Nongri river runs 760 kilometres and is harnessed by the. List-II: A: The Diplai river runs 640 kilometres and is harnessed by the; B: The Saimang river runs 980 kilometres and is harnessed by th; C: The Nongri river runs 760 kilometres and is harnessed by the. Select the correct code. [high]

Q-0088 — Diplai: ____ / _____. Select the recorded pair. [high]

Q-0089 — Consider the following statements: 1. The Diplai river runs 640 kilometres and is harnessed by the Diplai gates. 2. The Audit Office founded under Article 75 handles scrutiny of accounts. 3. The Language Panel founded under Article 77 handles recognition of tongues. Which of the above is/are correct? [high]

Q-0090 — Which recorded item matches this description: 520 / Mornoi bund? [high]

Q-0091 — Morno: ____ / _____. Select the recorded pair. [high]

Q-0092 — Consider the following statements: 1. The Morno river runs 520 kilometres and is harnessed by the Morno bund. 2. It is not the case that the Finance Commission shares revenues while the Audit Office scrutinises spending. 3. A bill passes introduction, scrutiny, two readings, assent, and notification. Which of the above is/are correct? [high]

Q-0093 — Which recorded item matches this description: 410 / Umsai sluice? [high]

Q-0094 — Umsai: ____ / _____. Select the recorded pair. [high]

Q-0095 — Consider the following statements: 1. The Umsai river runs 411 kilometres and is harnessed by the Umsai sluice. 2. An ordinance lapses without approval within six weeks of reassembly. 3. The Sahitya Ratna of 1969 honours distinction in letters. Which of the above is/are correct? [high]

Q-0096 — The following recorded items are often confused: The Meyong at 2900 kilometres is longer than the Sonai at 28; The Barun dam stores water while the Baruni barrage only div. Which statement correctly distinguishes them? [high]

Q-0097 — On meyong vs sonai, select the correct statement. [high]

Q-0098 — Consider the following statements: 1. The Meyong at 2900 kilometres is longer than the Sonai at 2840 kilometres. 2. The Vigyan Bhushan of 1975 honours distinction in science. 3. The Seva Padma of 1981 honours distinction in public service. Which of the above is/are correct? [high]

Q-0099 — On barun vs baruni, select the correct statement. [high]
